

# Wire Rope Lubricant

Vitalife® products are the preferred wire rope lubricants in the industry because of their ability to penetrate into wire rope and displace water and contaminants, thus reducing wear and corrosion throughout the rope.

**VITALIFE® 400**

**VITALIFE® 410  
BIO-LUBE**

**HAND HELD MODEL  
(1.5 LITER)**

**UPRIGHT MODEL  
(13.2 LITER)**

**BACKPACK MODEL  
(15 LITER)**

- Available in a variety of container sizes.
- Provides inner strand preservation and lubricity.
- Allows for easy visual inspection of the ropes.
- Reduces the friction between the strands of the wire rope, thus extending rope life.
- Adheres to surface of strands, forming an outer film which provides excellent corrosive protection.
- Non-tacky (will not attract dust)
- Vitalife® in aerosol form is a regulated dangerous good. See MSDS sheet for shipping instructions.
- Vitalife® Bio-Lube has been developed especially for environmentally friendly applications.
- Vitalife® 500 has been developed exclusively for ski lifts and tramways.
- Vitalife® 600 has been developed exclusively for elevator applications.

Vitalife® Type	Container Size	Vitalife® Stock No.	Weight Each (kg)
Vitalife® 400 (Standard)	.35 Liter	1038946	0.45
